

HEALTHCARE MANAGEMENT AND CONSULTING | PHYSICIAN REPRESENTATION

Foster Crown: IR, IN, or VS | Locums or Permanent | Northern California

Join a thriving organization with three established outpatient centers near the Bay Area

- **Weekdays 7a–4p, no weekends or holidays; optional call with added pay**
- **Locums, locums-to-perm, or permanent (1099 PSA or W2)**

Practice as an interventional radiologist, interventional nephrologist, or vascular surgeon across three well-established, high-performing office-based labs (OBLs) and ambulatory surgery centers (ASCs), with a fourth facility scheduled to open in 2026. The diverse case mix includes dialysis access (ESRD), GAE, PAD, PFE, and UFE, with optional interventional pain management. Physicians may also obtain hospital privileges for procedural work, with a call bonus.

- **Position:** Interventional Radiologist, Interventional Nephrologist, or Vascular Surgeon (Locums or Permanent)
- **Job Number:** CA1685
- **City/State:** Three locations plus one de novo site in Northern California, east of the Bay Area
- **Facility:** Office-Based Labs (OBL) / Ambulatory Surgery Centers (ASC)
- **Support Staff:** RNs, MA, Surgical Tech
- **EMR System:** AdvancedMD
- **Number of ORs:** 2 ORs, 7 beds
- **Procedural Census:** 6–8 procedures
- **Procedures Required:** Dialysis access (fistulagrams, HD catheters, declots), GAE, PAD, PFE, UFE; interventional pain procedures optional
- **BC/BE:** Radiology (ABR), Internal Medicine (ABIM), or Vascular Surgery (ABS)
- **Schedule:** 7a–4p, up to 5 days per week and multiple weeks per month if desired; no weekends or holidays; call optional with additional compensation
- **Compensation:** Competitive and negotiable; call our office for details
