Foster Crown: Locums Interventional Radiologist, Outpatient: Northern California

Join a thriving, physician-led organization with 3-fully established OBL's / ASC's near The Bay Area

- **Schedule: Up to 5 days a week, multiple weeks per month (if desired), no holidays, no weekends, call optional with additional compensation offered**
- **New grads welcome, keep your skills sharp!**
- **Starting March 2026**
- **Permanent position also available**

This Interventional Radiology opportunity offers you the ability to practice across three well-established and high-performing OBL's / ASC's, with a fourth facility set to open in early 2026. Situated in California's Central Valley—just an hour from both the Bay Area and Sacramento—Stockton offers an appealing lifestyle with significantly lower living costs than coastal metro regions. The area is rich with access to premier wine country, abundant outdoor recreation, and welcoming, family-friendly communities—making it an ideal setting for achieving true work-life balance. Enjoy a diverse case mix including GAE, PAD, ESRD, PFE, UFE, and optional Interventional Pain Management procedures. Additional optional opportunity to obtain hospital privileges for procedural work with call bonus. Let Foster Crown represent your interests & help to negotiate your next career move.
