This Anesthesiology opportunity offers you the ability to work as a permanent employee, for a large, multi-specialty private practice group. Work for a hospital that encourages innovation to improve patient care. This hospital is an hour West of Lexington, Nebraska. It is a thriving area where you can enjoy activities such as sipping locally crafted beverages, exploring the area's unique history, and plenty of outdoor activities. This area is known for its rich history and culture, including museums and state parks. Nebraska is an excellent state to practice medicine or raise a family. Let Foster Crown represent your interests & help to negotiate your next career move w/placement into this excellent Community Hospital.

More opportunities are available from this & other Foster Crown Clients throughout the year. If perm is not a fit, why not discuss locum tenens, which is an excellent way of augmenting your existing salary & test-driving your geo-preferences. Contact a Foster Crown Consultant today.
