Foster Crown: Fully Remote 1099 Physician Presenter for Cancer Education Video Series

Foster Crown is excited to offer a unique opportunity for a physician who wants to make a meaningful impact—while leveraging their expertise in a flexible, high-value way. Partner with an established mesothelioma-focused patient education platform, delivering clear, compassionate medical insights that empower patients and families to better understand and navigate their diagnosis.

We are seeking a dynamic, engaging physician to serve as the on-camera voice of this content. This role offers strong earning potential, a clearly defined and manageable scope, and the chance to step into an innovative, media-forward space within medicine, all within the comfort of your own home.

It's an ideal fit for an outgoing, entrepreneurial physician who enjoys communication, values flexibility, and wants to extend their impact beyond traditional clinical settings.

Position Overview (Job Number: US1707)

We are looking for a physician who is comfortable on camera and able to clearly explain medical topics to a general audience.

- Review the script for medical accuracy before recording: Typical review takes 10–15 minutes per script
- Flag or suggest any corrections to ensure clinical integrity
- Present the approved script on camera using a teleprompter

The physician presenter is not responsible for:

- Researching topics or sourcing medical literature
- Writing or editing scripts from scratch
- Video production, editing, or post-production
- Managing content strategy or publishing schedules

Compensation and Commitment

Scripts are fully prepared in advance, and all recordings will be accomplished remotely, in-home, or close vicinity to the physician presenter.

- \$400/video with a total earning potential of \$8,000/month or \$96,000/year
- Estimate of 20 videos/month
- Each recording session takes approximately 20 minutes and can be completed remotely

Qualifications

- MD or DO with an active or previously active unrestricted medical license. Any state license accepted.
- Comfortable speaking on camera with the ability to clearly explain medical concepts to a lay audience
- High interest in candidates with backgrounds in: Mesothelioma/thoracic medical oncology, Thoracic Surgical Oncology, Pulmonology, Surgical Oncology, Radiation Oncology

Foster Crown is a highly rated, boutique physician recruitment firm that champions our physicians, working closely with you to meet or exceed all expectations. We place physicians in all states.
