This Invasive Cardiologist opportunity offers you the ability to work as a short-term or long-term locums provider across 3 ambulatory clinics located just outside of Washington DC. Enjoy a welcoming environment with easy access to the vibrant cultural and professional opportunities of the nation's capital. Create your own schedule and Let Foster Crown represent your interests & help to negotiate your next career move with this well-respected practice.

- Position: Short or long-term Locums Invasive Cardiologist
- Job Number: VA1659
- City/State: Washington DC
- Facility: 3 ASC's (Ambulatory Surgical Center)
- Facility Profile: 3 ambulatory clinics, each on a hospital campus. The largest of the three hospitals is a 130-bed hospital with two state-of-the-art catheter labs. No cardiac surgery on site. Closed ICU, excellent hospitalists, and EP coverage.
- Trauma: Non-designated
- ADC: 110 cases
- Support Staff: Fully staffed with RN's, PA/s Techs, etc.
- Board Certification required: Board certified, will consider board eligible if within 5 years of graduation
- EMR: EPIC
- Procedures: Typical bread and butter interventional cardiology. Experience managing MCS patients preferred (e.g. Impella). No cardiac surgery on-site.
- Case Mix: Typical of a community hospital
- **Compensation is negotiable and confidential. Call office for details**
